

### REMARKS

The Specification has been amended to include the ATCC deposit information. Claims 1 and 8 have been amended to state the ATCC accession number. No new matter is included in these amendments.

In reviewing the Examiner's Amendment, Applicant noted that claim 28 should begin with an "A" instead of "The". Applicant telephoned the Examiner on September 13, 2005 and requested permission to replace "The" with "A" in claim 28. The Examiner granted permission to replace "The" with "A" in claim 28.

Applicant respectfully requests entry of the foregoing amendments to the specification and claims.
